

OUR EMPLOYEES

**PAY IT
FORWARD**

First National Bank is proud of our history of paying it forward to serve our home town. We pleased and proud to support the many community organizations and events that help to make Bemidji such a great place to live, work and raise our families.

WORKING TOGETHER

From serving on boards, working on bonspiels and golf tournaments and many other community events, our staff members donate countless hours of their time and talents. At the end of each year, each bank Department receives seed money from the bank. Working together, they choose a charitable cause and work to turn that money into more money. This year, their efforts resulted in donations of \$4491.

BUILDING COMMUNITY

First National Bank Bemidji recognizes building community as a priority. This year, First National Bank donated over \$148,000 to community groups, organizations and nonprofits.

THE UNITED WAY

United, we are strong. Our employees donated \$19,121 to the United Way in 2017. The Bank matched their donations for a total contribution to the United Way of \$43,517

OUR FOUNDATION

First National Bank Foundation was established in 1995 to make grants to enhance, strengthen and improve the quality of life for area children and their families. The Foundation awarded \$44,670 in 2017.
